Revised Detailed Plan for Wynhaven - 560 Powder Springs Street

Motion to approve the revised detailed plan, including architectural elevations and letter of stipulations dated _____ and signed by the owner's representative, for the proposed development that will include single family homes and townhouses, as shown on the attached Detailed Plan for Wynhaven, signed by the owner and dated November 12, 2014, in accordance with Section 708.20(J.4) of the Marietta City Code.

The purpose of this revision is to approve the revised detailed plan, including architectural elevations, for single family homes and townhouses as shown on the attached plans - but to specifically exclude the area identified for a condominium building. Said plans are to be developed by Black Orchid Equity, in partnership with their builder, Kerley Family Homes. Architectural elevations are also included with this revised plan.

This approval shall include the following variances:

1. Variance to allow driveways to be 18' deep from back of sidewalk. However, driveways with no sidewalk will be at least 20' from back of curb.
2. Variance to eliminate the required 30' buffer against the adjacent R-2 properties
3. Variance to reduce the required width of an access/utility easement for private streets from 50' to 40.'
4. Variance to reduce the centerline radius from 100' to 50.'
5. Variance to allow an alley serve as primary access for townhome units 50-77.
6. Variance to allow single trunk Crape Myrtles and Little Gem Magnolias as street trees along Powder Springs Street.
